Dear Mrs. Romano,

Thank you for your gift through the Heavenly Bricks Charitable Foundation to Northern Westchester Hospital (NWH), restricted to our Ken Hamilton Caregivers Center. The Center provides comfort and resources to thousands of your neighbors each year during the most difficult times in their lives.

Your generosity helps NWH provide high quality, person-centered care and medical and surgical expertise to everyone who enters our campus or uses one of our ambulatory facilities.

We are proud that NWH is one of the highest quality hospitals in the country.

- NWH is the only hospital in Westchester County to receive **Healthgrades 2024 America's 250 Best Hospitals Award**, placing it among the top 5% in the nation. Healthgrades also ranked NWH #2 in critical care, #5 in neurosciences and #5 in stroke care in New York State.
- An "A" Leapfrog rating for patient safety.
- NWH ranks as one of **US News & World Report's Best Regional Hospitals** and 24th in New York State, ranking high in 12 categories including stroke, neurology and neurosurgery.
- NWH is the only hospital in the world to receive **Planetree Person-Centered Care Gold Certification with Distinction** six times in a row.

These successes are possible because of your partnership, which accelerates growth and allows us to continue to invest in your hospital. Thank you for being part of our family of donors and allowing us to care for you and your loved ones.

Sincerely,

Keeva Young-Wright
