Dear Friends,

I have enrolled **Raymond M Roman** in St. Joseph's Book of Honor to be remembered in our prayers. We are blessed to have friends like you, and I hope you know what a difference you make in the lives of the Native American children entrusted to our care.

Our St. Joseph's Book of Honor is truly a living memorial. With your gift you are honoring someone close to your heart while helping the Lakota boys and girls realize their dreams. In 1927, St. Joseph's was founded as a private residential and educational facility dedicated to preserving, promoting and protecting the Lakota culture. Your friendship ensures a well-rounded education and future opportunities will be provided to Native American children.

With your support, we are able to provide for the daily needs of the Lakota (Sioux) children – including high school students – who live on our campus and attend the local public school. In addition to our religious and youth outreaches, assistance is offered to college students through a scholarship program. **Philámayaye** – *thank you* – for helping make our efforts possible!

Please accept my sincere thanks for your kind, thoughtful gift. You and your loved ones are in our daily prayers.

Peace and blessings,
